

# Robbins Farm Garden

*A Cooperative Learning Project*

## **CAUTION**

**TO DO OUR PART TO STOP THE  
SPREAD OF COVID-19  
WE ENCOURAGE GARDENERS TO:**

- **Stay home if you or those you live with are not well or not sure.**
- **Maintain physical separation of 6 feet or more.**
- **Avoid clusters, schedule gardening at different times.**
- **Use your own tools and take them home.**
- **Don't leave things outside the fence while you're working.**
- **Ask visitors to stay outside the garden fence.**
- **Use gloves and sanitizer to keep your hands clean.**
- **Cloth masks or bandanas can also help.**
- **Sanitize commonly-touched surfaces: gate, locks, water spigot, hoses, storage bin, seed box, fertilizer bags.**
